(Department of Labour & Employment)*New Delhi, the 20th August 1966*

G.S.R. 1316.—The following regulations to amend the Metalliferous Mines Regulations, 1961, which the Central Government proposes to make, in exercise of the powers conferred by Section 57 of the Mines Act, 1952 (35 of 1952), is published, as required by sub-section (1) of section 59 of the said Act, for the information of all persons likely to be affected thereby; and notice is hereby given that the said draft will be taken into consideration on or after the 1st December, 1966.

Any objections or suggestions which may be received from any person with respect to the said draft before the date so specified will be considered by the Central Government.

Draft Regulations

1 These regulations may be called the Metalliferous Mines (Amendment) Regulations, 1966.

2. In regulation 107 of the Metalliferous Mines Regulations, 1961, for sub-regulations (3) and (4), the following sub-regulations shall be substituted, namely:—

“(3) No extraction or reduction of pillars or blocks of minerals shall be commenced, conducted or carried out except with the prior permission in writing of the Chief Inspector and in accordance with such conditions as he may specify therein. An application for permission

under this sub-regulation shall be accompanied by two copies of an up-to-date plan of the area where pillars or blocks of minerals are proposed to be extracted or reduced, showing the proposed extent of extraction or reduction, the manner in which such extraction or reduction is proposed to be carried out, the thickness and other characteristics of the mineral deposit, the stopping width, the depth of the workings, the nature of hangwall and footwall, the rate and direction of general dip, and such other particulars as the Chief Inspector may require.

- (4) The extraction and reduction of pillars or blocks of minerals shall be commenced, conducted or carried out in such a manner as to prevent, as far as possible, the extension of a collapse in the stoped out area over-riding pillars or blocks of minerals that have not been extracted."
